MEMORANDUM FOR: Deputy Director of Central Intelligence  
THROUGH: Deputy Director/Intelligence  
SUBJECT: Letter of Appreciation to Warren Air Force Base

1. This memorandum suggests action on the part of the DDCI. Such requested action is contained in paragraph 4.

2. On 13 October through 16 October 1959, [REDACTED] of GRR's Guided Missile Branch visited Warren Air Force Base, Cheyenne, Wyoming, for the purpose of orientation on the Atlas system. The Air Force personnel were exceptionally cooperative in providing information on Atlas deployment, including assignment of a C-47 to the GRR men for visual and photographic coverage of the entire facility.

3. Since many of the senior officers at the Base know you personally and inquired about you during the visit, we believe that they would welcome a letter of appreciation signed by you. In addition, these officers are in a position to provide aid to CIA in the future, and we believe such a letter would be good public relations.

4. It is recommended that the attached letter be signed and forwarded to the Commanding Officer at Warren Air Force Base.
